FOR MODERN LIVING...

telephones where you need them

Modern living means comfort and convenience. This means having a telephone handy in the kitchen, the bedroom, the playroom—telephones everywhere you need them!

What's more, it means telephones in color to harmonize with your decor; it means having enough telephone lines; and having the right types of telephones so that it's "fun to phone."

Call our Telephone Business Office (dial 811) for more details.
